

# EU T+1 Industry Committee

## Summary of Conclusions, Monday 07 July 2025

### Executive Summary

The meeting focused on reviewing the successful launch event, clarifying the consultation process, prioritising technical workstreams (e.g., SSI standardisation and partial settlement), and planning a structured communication strategy. Upcoming workshops and coordination with global stakeholders were also discussed.

### H2 2025 Priorities

Priorities for the second half of the year will include:

- Review of feedback on the High-Level Roadmap, and publishing of clarifications where necessary.
- Identification of, and further work on, open actions in the High-Level Roadmap (e.g. development of market practices)
- Development of Industry Playbook
- Establishment of Communications Task Force
