

The EU T+1 Industry Committee

Summary of Conclusions, Tuesday 26 January 2026

Executive Summary:

The Industry Committee discussed the results and follow-up actions on the T+1 Industry Survey results. The results would be published and discussed in the hybrid public event on 2 February afternoon.

The Industry Committee aims to agree on the final first version of the Handbook in the next meeting and release it next week.

Follow-up work of the TFs on SSIs, SFT optimisation and Partial Settlement market practice and additional identified areas that have been deemed to benefit from closer assessment will be conducted in the coming weeks and discussed in the Industry Committee meeting of 9 February.

The FX technical workstream was agreed to be merged with the UK AST FX workstream.

Q1 2026 Priorities

Priorities for the first quarter of the year will include:

- Releasing v.1 of the T+1 Handbook
- TFs and the relevant Workstreams to conduct the follow-up work to the published reports where relevant
- EU T+1 Testing Task Force to start preparing its report to the T+1 Industry Committee, to have it ready to be published on 25 March
- Summarise and publish results of Market Readiness Survey at the public event on 2 February
- Updating the FAQ on the website
