

The EU T+1 Industry Committee

Summary of Conclusions, Monday 9 March 2026

Executive Summary:

The T+1 Industry Committee Chair debriefed the participants on his most recent engagements.

The Industry Committee agreed on the final version of the T+1 Testing Plan. The document will be presented in the joint EU-UK hybrid public event in London on 25 March. The Testing Plan will be published on the same day. That event will be followed by another public hybrid event in Frankfurt on 21 April.

The next EU T+1 Readiness Survey was agreed to be released in April.

The Industry Committee agreed on the timeline to publish 2nd release of the Handbook and aim to release it in May.

Q2 2026 Priorities

Priorities for the second quarter of the year will include:

- TFs and the relevant Workstreams to conduct the follow-up work to the published reports where relevant
- Release the T+1 Readiness Survey and collect its results
- Publish 2nd release of T+1 Handbook
- To increase communication reaching beyond Europe and emphasising the message that strong early momentum must now translate into concrete operational change across the industry.
