

The EU T+1 Industry Committee

Summary of Conclusions, Wednesday 8 April 2026

Executive Summary:

The Industry Committee discussed open points and forthcoming deliverable on the SFT Gating Event.

2nd release of the Handbook is pending few final contributions. Handbook and T+1 Checklist remain on the list of documents to be published in the coming weeks.

Draft questions of the next EU T+1 Readiness Survey were presented, and participants were invited to share their input. The timeline to publish the survey late in April remains unchanged.

The EFC subcommittee on EU Sovereign Debt Markets (ESDM) was welcomed as an observer to the EU T+1 Industry Committee.

Q2 2026 Priorities

Priorities for the second quarter of the year will include:

- TFs and the relevant Workstreams to conduct the follow-up work to the published reports for the relevant parts
- Release 2nd version of T+1 Readiness Survey, collect and publish its results
- Publish 2nd release of T+1 Handbook
- Publish T+1 Checklist
- To increase communication reaching beyond Europe and emphasising the message that strong early momentum must now translate into concrete operational change across the industry.
